## Message from the VP

### John W. Cothorn

As we begin the new fiscal/academic year, I hope that your summer has been going well. It has been for me except being very busy with budgets and other things as I am sure you are busy on your end.

Again this year the state did not cut our base budget but it did not increase it either. I really look forward to the day that I can report significant state funding increase to meet our many fiscal needs and challenges.

Further, as you may have heard, all regular employees will receive a 3% across the board salary increase effective this month. Additionally, it is hoped that the second phase of the market salary adjustments can be provided later this year. This will be contingent upon budget revenues and enrollment increases. More information will be distributed once all factors are known.

If there any issues that you may have, please feel free to talk to your supervisor, department head or myself as needed and appropriate.

As always, your commitment and loyalty to MTSU is greatly appreciated.

P.S. Don't forget the Ice Cream Social on July 28th!
